

Press Release	In Their Own Words - Saint Luke's Place is Our Home
Release Date	November 2014

From Norma Thomson, Resident

"I came to Saint Luke's Place 4 years ago and I couldn't be happier!"

From Donna Besson, Tenant (and Bernice Besson, Donna's Mom and a Resident)

I am a second generation here at Saint Luke's Place. My parents arrived here in the early 1990's as friends living here suggested they would love this place, and they were right. I have been here since 2006 and it is the best thing I could have done. The entire community here is great with compassionate staff. We all care about one another. The staff (nursing, kitchen, maintenance, etc.), the activities, the grounds and the apartments all make living here a wonderful retirement experience.

From Patrick Baker, Resident

"As President of Residents' Council for 12 years, and a resident of Saint Luke's Place for over 15 years, I have a very good understanding of the Long-Term Care system and its funding constraints. I really appreciate the quality of care I have received from Saint Luke's Place staff over the years. These hard-working and compassionate individuals have been very willing to go above and beyond the call of duty to support the residents in need."

From Laura Davidson, Tenant of Saint Luke's Place

"I was first introduced to Saint Luke's Place in 1993 by my Aunt and Uncle whose family Physician always called Saint Luke's Place the Cadillac of the Community. Now, as a tenant of Saint Luke's Place for the past 12 years I can relate to this statement. My involvement has been very fruitful with my days busy volunteering. Through this I have enjoyed meeting new people and lived life to the fullest."
