| Press Release | The Company of Neighbours Supporting Saint Luke's Place Redevelopment |
| Release Date | April 2017 |

The Company of Neighbours, who operate the Hespeler Heritage Centre, has recently announced its commitment to support the Saint Luke's Place Long-Term Care Redevelopment Project with a one-time donation of \$5,000.

The Company of Neighbours would not exist without the dedicated group of local citizens who take pride in promoting and preserving the history and community in Hespeler. Through a presence at local events, The Company of Neighbours eagerly help, promote and inform those who live and work in the community in an old-fashioned neighbourly way.

On behalf of Saint Luke's Place and Saint Luke's Place Foundation, I would like to express my sincere gratitude towards the Company of Neighbours' for their recent donation to our **Welcome home Capital Campaign** in support of our Long Term Care Redevelopment Project. Our Saint Luke's Place family is grateful for such wonderful support from our dedicated group of neighbours.

*Alison Haddaway
Director of Donor Relations and Fund Development*

Receiving the donation from Bob O'Krafka and Lary Turner are Dianna Smellie, Saint Luke's Place Foundation Board member and Alison Haddaway, Director of Donor Relations and Fund Development
