

Saint Luke's Place

Our Redevelopment Project...

Goal

\$ 12 million

Who

As a non-denominational registered charity, SLP relies on donations and grants to initiate new projects and support core capital expenses.

What

Our Welcome Home Capital Campaign will construct a 192 bed long-term care home in Cambridge.

Why

The demand for long-term care is expected to rise by 38%. SLP's occupancy rate is 99%, with around 425 people on the waiting list for just 114 available beds.

Timeline

Saint Luke's Place has been an operating long-term care for almost 50 years and this significant redevelopment project will help us achieve current Ministry of Long-Term Care standards. With groundbreaking projected for Spring 2025, we will be well situated to positively influence the landscape of long-term care across Waterloo Region with 78 additional long-term care beds by 2028.

We are Expanding

Our building design will include:

- A fully accessible floor plan that maximizes service for long-term care.
 - Modern home areas with dining rooms, nursing hubs, and family gathering places.
 - Resident rooms that focus on safety and care.
 - The highest level of efficiency in daily operations.
- The 7-storey building is designed to connect to the existing building.

Join us!

To support our mission of, "Enriching lives in our vibrant seniors' community through excellent service and care", this redevelopment and creation of 78 new long-term care beds is part of the solution. We need \$12 million dollars to continue to support the aging population and assist with sustaining the health care system in Waterloo Region. If you believe in service to the community with an interest in health, we need you. Saint Luke's Place is a vital support to seniors' health care in our community.
